

## **Mass Announcement for e-Contributions**

Our parish is always seeking ways to cut costs and operate more efficiently. Those of you who are familiar with the technology of the internet know it provides a means to be more efficient, save time and help reduce costs. St. Mary's taking advantage of this technology to help our parish save time and money-and in turn help us serve you better.

In conjunction with our trusted partner, J.S. Paluch Company, Inc., who assists our church with (fill in the blank regarding products/services used by the parish); we are accepting regular and special contributions via the internet. This service is called e-Contributions. With e-Contributions, you can use a credit card or checking account to contribute safely, simply and automatically to parish collections. E-Contributions are ideal for your regular contributions as well as for special funds-our current special funds are our building fund and our renovation fund.

Look in the mail for a detailed letter, or log on to [e-paluch.com](http://e-paluch.com) for information and easy registration. We hope you join us in taking advantage of the opportunities and benefits the Internet has to offer St. Mary's.
